

FIRST LEGO League Competition

California Lutheran University

Sunday, October 31 – Halloween! 9:00 – 4:00

Gilbert Hall, 60 W. Olsen Rd., Thousand Oaks

Come join us for a fun and crazy day of robotics featuring 9-14 years old students from local schools in their first competition of the year. It should be noisy! See them make robots accomplish amazing feats. Just stop by and see what's going on!

We are seeking volunteers to help during all or part of the day with various tasks from registration, setup, coordination, judging and refereeing. No experience with robotics is necessary! We will train you.

Please contact Bob Rumer, rrumer@callutheran.edu, 805-377-8369.
